

Buffalo's "All-College" football team yesterday met defeat at the hands of the aggregation from various points in Canada, particularly Toronto. The Canadians are big fellows, and they not only beat Buffalo at the Canadian game, with 15 on a side, but even outdid the local men at the intercollegiate game, much to the satisfaction of the visitors. It was questionable judgment to pull off two football games in Buffalo on the same afternoon, and though the game at the Athletic Field was announced for half an hour earlier than the one at Olympic Park, the latter caught by far the larger crowd.

The contest at the Athletic Field was interesting in its novelty, as the second half was played according to the Rugby rules. The Buffalo men did not know quite where they were at at this game, and it did not take the Canadians long to pile up eight points. In the first half the score was 6 to 6 in favor of the Canadians, making the total 14 to 6.
