

# Many Tigers Take First Game of Rugby Season

## SCORE BRACE OF TOUCHDOWNS TO TROUNCE RIVALS

### Powerful Grid Combination Pounds Way to 18-4 Victory Over St. John's Squad

OUTED everywhere as being the team to beat for the Manitoba championship this season, St. John's met unexpected defeat in the opening game of the 1929 rugby schedule, when they were defeated by the Tammany Tigers at Wesley Park, Saturday afternoon, by a score of 18-4.

Before the game, no rugby follower would have given the Tammany Tigers a chance to be anywhere against the supposedly strong St. John's. It was said that Tigers' effort was a mere bluff on the part of the Tammany. It is, as it may be, there is no denying the superiority of Tammany Tigers over the vanquished horse.

Header football, keeper anticipations and smoothness both on the attack and the defence gave the black warriors every victory. While Tiger supporters might have held their breaths in anticipation of the terrific meeting before the game came to a close, addendum did the lines live up to expectations.

As far as the forward pass was concerned, the Tammany Tigers were not so concerned. This was the first time they only came off with a touch down in the opening minutes and again in the dying minutes of the match.

Both times it was St. John's play. The first time, McLeod tossed right into the waiting hands of Gay, missing his receiver altogether. Next time the end, who was struggling for at least one try, this time Christenson caught up but fumbled and the ball went to the possession of the Tigers.

Tigers did not use the play at all as it appears that they were hardly to be used for long gains for the simple reason that the receiver got in position in time. However, from eight to ten yards should prove profitable.

Early scoring all fell to the lot of the Tiger. A fumble by McLeod, Tigers were away from the line gave Tigers their first try. Kennedy drove through a flock of struggling players on the third attempt, for Tigers' first touchdown. Shaw kicked the goal and Tigers were leading, 6-0.

A long kick by McDonald from muffed caused Davidson to be brought down behind his own goal-line a rough give and take at another point. Tigers blocked a kick on the 30-yard line. Shaw kicked to the dead-line for the eighth point, which left Tigers on the 40, at the close of the first quarter.

In the second quarter, two dead line kicks gave St. John's their first two points, the first being a long punt by McLeod and the second an attempt at a field goal by Davidson, which went wide of its mark.

On the resumption of play, Shaw made a beautiful drop from the line and Tigers got three more points for a field goal. Another beautiful kick from McDonald toe boosted Tigers' total to 12.

Getting the ball on the St. John's 20-yard line after a fumble, an extended end run, Tigers worked their way through for a touch. Possibilities were raised up to the ceiling as well as a fine end run by McDonald on a pass from Shaw. Kennedy backed his way over from two yards out and Shaw kicked goal to make the score 18-0.

In the fourth quarter, Tigers made two points, the first coming when McLeod kicked to the dead line and the second when Shaw was rugged.

All the Bengals played a stellar game and it would be unfair to pick anyone from out the bunch as being better than the rest, but the work of the halves must receive more than passing mention. Shaw, McDonald, Kennedy, and Gay all worked well together. They were responsible for long gains particularly around the ends. And they took advantage of the time the wind was with them to kick and keep the ball in St. John's end of the field. The line was exceptionally good turning in a strong defensive game. Tracy's tackling and getting down under punts was a big feature.

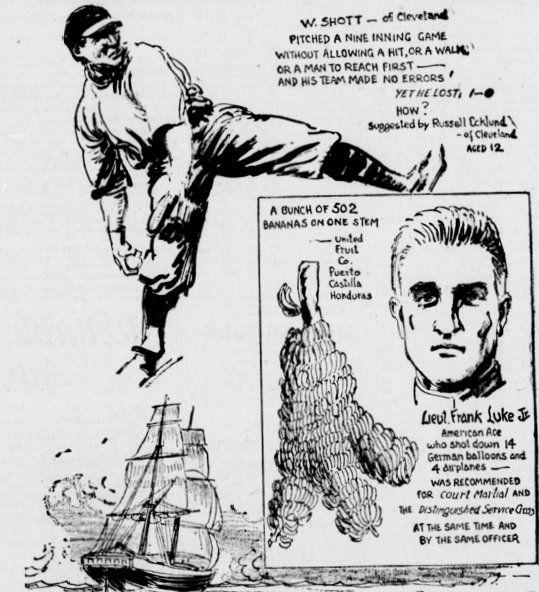

On St. John's side Davidson played a strong game at quarter. Tracy and Morris were dangerous ball carriers. McLeod's handling was brilliant and long, but the ends did not get down under the punts. Thompson and Trojak made many useful gains on line play.

On the whole the game was exceptionally good for the season's opener, but the touching was not so free, probably costly. However, the game wasn't loose and the battles between the two rivals should prove quite an attraction.

## JUVENILES PLAY CLEVER RUGBY

### Pats Trim St. John's 17-0 While Y.M.H.A. and Deer Lodge Draw 1-1

Two fine games of rugby were played Saturday at River Park by teams of the juvenile division. All four squads of little players, judged from head to foot, displayed a fine brand of game, and on one or two occasions tried their hand at the forward pass, though for the most part they were content to carry the ball for the gains.

In the first tussle the Pats handed the St. John's troupe a 17-0 trouncing. This game was fast, and the passing accurate. Two touches, two beautiful drop kicks by Hay, and one convert resulted in the winners' count. A feature of the game was the fine tackling by Leukie and the pretty dodging runs by McArthur, both of Pats.

The teams follow: St. John's—Hazzard, Lawson, Yelland, Edwards, Lee, Holmes, Irvine, Brown, Hart, Hout, Worth, Kling, Sharp, Curak, Oyle, Sime, Tinning, Skarg, Jack.

Pats—Breen, Boyd, Falconer, Gillivray, Droyon, Burnump, Ports, Tierney, Leukie, Hay, McArthur, Bracken, Peot, Senham, Carlsson.

## BASEBALL DOPE CORNER

## SCOTTISH SOCCER CLUB BOOSTER PASSES AWAY

Football in Winnipeg, and in fact throughout the Dominion, lost a staunch supporter, and the Scottish Football club a valued adviser and booster with the death of Malcolm MacKenzie on Saturday morning. MacKenzie had been ill for some considerable time.

Previous to the war during which he served with the 79th battalion and the transport services he played for the Brooklands and was justly considered one of the finest centre forwards in Winnipeg. Returning to Winnipeg after the war, he took a place on the executive where he has served with distinction until his death.

Malcolm will always be remembered as a man who played the game for the sake of the game, his thorough knowledge of the fine points of the game, and his capacity for work has made him a personality that will be missed by the Scottish club.

The funeral will be held on Tuesday from the Thompson funeral parlors.

## MANY STARS IN GOLF TOURNEY

HAMILTON, Ont., Sept. 23—A number of international stars in the women's golf realm will compete in the Canadian Ladies' Open Golf championship starting at Ancaster, near here, on Monday. The holding of the United States tournament at Detroit the week following makes possible an unprecedented event.

Miss Ada MacKenzie, of Toronto, who this week won the Canadian Ladies' closed championship and has three times held the open title, will be one of the contenders. The 1927 and 1928 were champions of the United States—Miss Helen Payson of Portland, Maine, and Miss Virginia Wilson, of Chicago, will also compete. Mrs. Rileston, of Regina, champion of Saskatchewan, and Mrs. Pellett, of Winnipeg, who has taken many western titles, are other outstanding entrants.

### Battaglia Meets Ater in Main Bout—Good Preliminaries

Frank Battaglia, local heavyweight, is down to the scheduled 145 pounds and is set for his 10-round battle tonight at the Amphitheatre rink with Dave Ater, who was struggling for at least one try, this time Christenson caught up but fumbled and the ball went to the possession of the Tigers.
